FOR AN EVENING OF FUN!

WHERE: The Joseph Nelson Center , 611 Village Dr. Suisun City

We are a local Square Dance group that is looking for couples and singles that are interested in learning Modern Square Dance. The Twin City Steppers have been dancing since 1954. Our club caller (instructor) is Gary Kendall. Gary has been calling for square dancers for over 35 years. We currently are making plans to hold a 10 week class for new dancers. The first two nights are FREE!

Here's how it works. We meet one evening a week on Tuesdays for 2 hours. There will be plenty of experienced dancers (angels) on hand to help. Square dancing is easy to learn. Every week Gary will teach a few new calls and practice the ones you have already learned.

You don't need special outfits or shoes to attend the class. The class for basic level dancing lasts 10 weeks. After a few lessons, you will be able to attend a "New Dancer Hoedown".

One of the greatest things about square dancing is that we do this for fun. There are no competitions in square dancing. That means all you have to do is relax and have some fun!
